Dear Mr O'Neill

I refer to your letter of 13 July and thank you for the "Building Fences" DVD. The story certainly illustrates the good work the Silver Lining Foundation is achieving in providing young Indigenous men with skills that will enhance their long-term employment opportunities.

I was particularly impressed with the interviews of the young men and also of Chris Sarra who spoke of the tangible outcomes that can be achieved through education.

I take this opportunity to wish you and the Silver Lining Foundation continued success. Please keep me informed of the progress of this program and also of other Foundation initiatives.

Yours sincerely
